

# SHELL POINT GOLF CLUB

## PHASE 1 REOPENING PLAN

### *Social Distancing Guidelines*

- Social distancing is required at all times and will be actively monitored and enforced
- Social distancing must be a minimum of six feet
- Golf is restricted to only members and residents at this time
- Staff is required to wear a mask; players are encouraged to wear a mask
- Members and residents are asked to arrive no earlier than 10–20 minutes prior to their tee time.
- Groups that are more than four players are asked not to gather at any time
- Staff will monitor short game and putting green to ensure guidelines are being followed (Max of two players per area)
- Employees will follow all CDC guidelines
- Golf carts will be one per person, but individuals residing together may share a cart
- No league play or events will be conducted at this time.

### *Arrival*

- All employees, members and residents coming to the golf club will be required to clear the checkpoint prior to work or play. This includes a temperature check and questionnaire.
- Everyone will need to wear or have their checkpoint bracelet in a high visible spot
- Players are asked to unload their bag in the bag drop area onto the properly identified cart
- Players will not be required to check in with the golf shop
- All transactions are not required to have tickets
- Each time a cart is driven or moved by staff, after being set and sanitized, it will have the steering wheel, other touch points and occupied seat wiped with sanitizing wipes
- All towels, yardage books and sand buckets are removed; sand bottles will remain

### *Tee Times*

- Tee times can only be made by phone
- Tee times are a set at a 12-minute interval to ensure spacing
- Member Block Times are not available at this time
- Members can book 7 days in advance, non-member residents can book 4 days in advance

### **On Course**

- Only one group at a time may approach the first tee
- Staff will control spacing and check in process at tee box to ensure proper billing
- No more than 6 players on the putting green
- No more than 4 players at the short game area
- Frequent touch points on golf cart surfaces sprayed with sanitizer prior to round, and between rounds same day
- Carts are asked to keep a social distancing to a minimum of 10 feet
- Walking will be permitted at any time during Phase 1
- Players are asked not to touch or remove the flagstick
- Players will find a noodle or device to help with removing the ball from the hole
- Each cart will have one sand bottle; this will be exchanged and sanitized after play

### **Completion of Play**

- Carts are returned to the designated area
- All players are required to take their bag with them upon conclusion of the round and prior to returning cart
- When reusing a cart on the same-day rounds, it must be completely rinsed, cleaned and re-sanitized on all high touch point areas
- All Shell Point employees are required to sanitize or wash hands frequently
- Players are asked to post score through the GHIN App or on GHIN.com
- Upon completion of play, all players are asked to leave the facility in a timely manner to help alleviate possible congestion
